Healing, Empowering and Restoring those who have experienced abortion.

About us

Whatever the reason for her abortion, a woman may suffer emotional pain, guilt, trauma and depression. The intensity differs with each woman as well as her response to her pain. She needs an outlet. She needs to heal.

Secret Garden Ministries offers a 10 week Bible study entitled: "*Forgiven and Set Free*" by Linda Cochrane. During this group study participants are guided on a journey of healing, forgiveness, grief, acceptance and restoration.

The group sessions are private and confidential. They are led by trained post-abortion counselors and offer a safe place to share and talk.

Call today to enroll in a class or for information on the time and location of the next available Bible study.

Our Mission

Secret Garden Ministries

is part of

Pregnancy Resource Center
Alpha's Glory

Secret Garden Ministries seeks to help women and men who have experienced abortion to have a life of purpose, joy, freedom and peace.

Healing comes through forgiveness.

Empowering comes by knowing your true identity in Christ.

Restoring comes from the grace and mercy of Almighty God.

Our Hope

Blessed is the one whose transgressions are forgiven, whose sins are covered. Blessed is the one whose sin the Lord does not count against them and in whose spirit is no deceit. When I kept silent, my bones wasted away through my groaning all day long. And you forgave the guilt of my sin.

Psalm 32
